Dear Parents and Graduates,

God has truly blessed us in allowing us to work in this ministry of home education. We count it a double blessing to be able to host your graduation ceremony. Graduation is a very important milestone in every student's life. We want every student and their family to be able to participate and attend in such a momentous occasion as the graduation ceremony.

Michael and Linda Napier

For the past five years, we have hosted a graduation ceremony for our seniors. Knoxville's Tennessee Theatre is breathtakingly beautiful, and we look forward again to having our graduation ceremony in such an amazing place. For our seniors we have planned a cruise aboard the Star of Knoxville riverboat, after the graduation ceremony as a celebration of your student's accomplishment. We encourage you to make plans now to attend. Come join us as we look back on what our students have done and look forward to what they will accomplish.

To our seniors, our prayer is that you will seek the Lord's will and direction in your lives, be always ready to serve Him. It is our prayer that you will live by I Timothy 4:12, and be an example of God's people "in word, in conversation, in charity, in spirit, in faith, in purity." It is our prayer that you will succeed in all that you put your hand to, and that you will work to be a success for the Kingdom of Christ. May God richly bless your lives and all that you do.

In His Service,

Michael and Linda Napier,
Directors

***"Let no man despise thy youth; but be thou an example of the believers,
in word, in conversation, in charity, in spirit, in faith, in purity."***

—I Timothy 4:12

***“So teach us to number our days,
that we may apply our hearts unto wisdom.”***

—Psalm 90:12

Located on Gay Street in the heart of downtown Knoxville, the Tennessee Theatre is the official theatre for the State of Tennessee. Opened in 1928 the Tennessee Theatre takes you back to another time and place. From the moment you enter the lobby you feel like royalty. You will stand in awe of the beauty of the Czechoslovakian crystals in the French-style chandeliers, Italian terrazzo flooring in the Grand Lobby, and Oriental influences in the carpet and drapery patterns.

Graduate Opportunities

Graduate Memory Movie

This has always been one of the most personal and enjoyable parts of Family Christian Academy's graduation. You get to see your student's picture on the big screen and relive those memories of them growing up. Parents are asked to submit up to four pictures of the graduate to be placed in a movie format and played with background music. Some ideas for the pictures are: baby photos, funny moments, student with their friends or family, sports or hobby photos. You can let your graduate help you pick the photos or completely surprise them! The pictures should be submitted with your graduation application. Photos must be 5x7 or smaller, or you may e-mail them in .jpg format. Please do not send bent, folded or damaged photos. Please mark each picture with your graduate's name and number the photos in the order you would like

Participation in any or all of these personalized opportunities will help make your senior's graduation extra special!

them displayed. Pictures will be returned to you at the theatre after graduation. Photos must be submitted by May 13 to be included in the video.

Graduate Letter

Graduates are asked to submit a letter to us giving us some information about themselves. These words are read as the graduate walks across the stage to receive their diploma. This is the one time that we encourage you to brag about yourself and your accomplishments. Some ideas to help you get started are: things you have been involved in, what have you achieved, what you look forward to (college, work, further education), your favorite quote or scripture. Please limit your letter to 75 words or less. Please write these letters in third person as they will be read to an audience. Letters must be submitted by May 13 to be included in the ceremony.

Senior Graduate Talent

We are looking for singers, actors, speakers, and instrumentalists, who are members of the 2011 graduating class. Any graduate who would like to share their special talent is encouraged to do so at graduation. We know that our students have many different talents and we would enjoy having you share your talent with us at graduation. Please submit a VHS or DVD video of what you would like to perform along with an introduction to be read for the piece that you are sharing. The videos will be reviewed by Family Christian Academy of East Tennessee's Board of Directors for content, appropriateness, and professionalism. Performances are not to exceed 4 minutes and must be submitted before April 29th.

Mail your video to: *FCA East, 124 East Inskip Dr., Knoxville, TN 37912.*
