Dear Parents and Graduates,

God has truly blessed us in allowing us to work in the ministry of home education. We count it a double blessing to be able to host your graduation ceremony. Graduation is an important milestone in every student's life, and we hope that each of our seniors will join us on June 7 to celebrate it.

Michael and Linda Napier

The University of Tennessee's Cox Auditorium is a beautiful venue that highlights the significance of this milestone. We encourage you to make plans now to attend. Join us as we look back on what our students have accomplished and look forward to what is to come.

To our seniors, our prayer is that you will seek the Lord's will and direction in your lives, and be always ready to serve Him. It is our prayer that you will live by I Timothy 4:12, and be an example of God's people "in word, in conversation, in charity, in spirit, in faith, in purity." It is our prayer that you will succeed in all that you put your hand to, and that you will work to be a success for the Kingdom of Christ. May God richly bless your lives and all that you do.

FCA East Graduation Staff

Graduate Opportunities

Graduate Memory Movie

This has always been one of the most personal and enjoyable parts of Family Christian Academy's graduation. You get to see your student's picture on the big screen and relive those memories of them growing up. Parents are asked to submit up to four pictures of the graduate to be placed in a movie format and played with background music. Some ideas for the pictures are: baby photos, funny moments, student with their friends or family, sports or hobby photos. You can let your graduate help you pick the photos or completely surprise them! The pictures should be submitted with your graduation application. **Photos must be 5x7 or smaller, or you may e-mail them in .jpg format. No collage type photos or photos larger than 5x7 will be accepted.** Please do not send bent, folded or damaged photos. Please mark each picture with your graduate's name and number the photos in the order you would like them displayed. Pictures will be returned to you at the theatre after graduation. Photos must be submitted by May 6 to be included in the video.

Participation in any or all of these personalized opportunities will help make your senior's graduation extra special!

Graduate Letter

Graduates are asked to submit a letter to us giving us some information about themselves. These words are read as the graduate walks across the stage to receive their diploma. This is the one time that we encourage you to brag about yourself and your accomplishments. Some ideas to help you get started are: things you have been involved in, what have you achieved, what you look forward to (college, work, further education), your favorite quote or scripture. Please limit your letter to 75 words or less. Please write these letters in third person as they will be read to an audience. Letters must be submitted by May 6 to be included in the ceremony.
