Why join FCA?

Start Schooling Immediately

You can start schooling the same day you enroll or the day we receive your application in the mail or at our bookstores.

Teacher and Student Cards

For families enrolled by September, Student-teacher cards will be mailed to you within 60 days of enrollment. Any other cards issued upon request only.

Web Site

Check for upcoming events, find out about testing, receive our on-line newsletter. You can find us at: www.fcaeast.com. You may also "like" us on Facebook.

Teacher Training Workshops

Throughout the year Family Christian Academy schedules speakers who enhance your teaching with their presentations. These speakers are scheduled to speak at major cities. Family Christian Academy members will either receive a discount or free entry.

Guest Speakers

Occasionally, and depending on speaker availability, FCA provides workshops by well-known authors and home school speakers, such as Valerie Bendt (Creating Your Own Unit Study), Karl Reed (The Bible, Home Schooling and the Law), Jane Hoffman (Backyard Scientist), Jonathan Lindvall (Bold Parenting Seminar), Richard "Little Bear" Wheeler (Mantle Ministries), Jeff and Marge Barth and family (A Family Together Seminar), William Roy (our favorite Christian historian), and many more.

Local Support Groups

FCA support groups are active in certain areas. If there is no FCA support group in your area we encourage you to consider starting or joining a local support group. Support groups generally share various parent/student talents and arrange for group field trips, crafts, teaching tips, etc.

Graduation

FCA commencement for Seniors is held each year at the University of Tennessee, Knoxville in June (subject to change).

Testing

The Stanford Achievement Test is administered annually through FCA in the spring. Testing schedules will be available online at our website or by calling your local ARK Center after January 30.

Achievement Testing is administered annually through FCA in the spring. Testing schedules will be available online at our website or by calling your local ARK Center after January 30. We also have diagnostic and career testing to help you evaluate your students.

FCA's Purpose and Beliefs

Family Christian Academy is dedicated to helping home educating families educate their children in the Lord. Our program is based on research and experience that results in creativity for parents and a love of learning for children.

Christian parents' major goal should be as God commands in Deuteronomy 6; to teach the commandments to their children. They should be examples of Christian life and conduct, exercising themselves above all other duties to care for their children, the highest of which is their children's spiritual welfare. According to Paul in Ephesians 6:4 and Colossians 3:21, as well as God's instruction in many Old Testament passages (Psalms 78:3, Proverbs 1:8, 6:20), it is the responsibility of parents to provide their children with an upbringing that prepares them for lives pleasing to God. It is the family, not the church or church school, that is primarily responsible for the Biblical and spiritual training of the children. The very core of Christian nature is this: The heart of the father must be turned to the heart of the child in order to bring the heart of the child to the heart of the Savior (Luke 1:17). One of the key goals of the gospel is to re-establish God's will for the family in a correct relationship between fathers and children. Through the teaching of repentance and the Lordship of Christ, fathers will become dedicated to their children in an attitude of righteousness.

We believe parent-directed education will:

- Control negative peer pressure, destructive influences, and various temptations.
- Give a child the ability and flexibility to explore their God-given interests.
- Develop a child's self confidence and greatly enhance their cognitive skills.
- Give a child the opportunity to learn about life from the rule book give to us by our Creator, the Bible, which is the source of true wisdom.
- Give a child the opportunity to develop loving relationships with parents and siblings.

We believe that because parents love their children (and God gave them to parents), they are best suited to teach, guide, and discipline them.

Statement of Faith

We believe the Bible to be the inspired, infallible, supreme, and final authority for all faith and life.

We believe there is one God, eternally existent in three: Father, Son, and Holy Spirit.

We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily

ily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

We believe that man was created in the image of God but fell into sin and is therefore lost, and only such as become truly born again are saved from their sins.

We believe that the ministry of the Holy Spirit is to convict men; and indwell, guide, instruct, and empower the believer for Godly living for service.

We believe in the bodily resurrection of both the saved and the lost; of the saved to everlasting blessedness and joy with the Lord, of the lost to judgment and everlasting punishment.

Statement of Policy

The following policies have been established by the Board of Directors and apply to those families whose children are enrolled in Family Christian Academy.

It is the opinion of the Board of Directors that these policies are fair and just. Each family enrolled in Family Christian Academy, having signed at the time of enrollment the statement of policy, acknowledged their responsibility to the school and obligated themselves to the fulfillment of its policies. The attitude of the Board is not one of legalism but rather an expectation of responsible compliance with reasonable standards. Such an attitude allows for grace but also enforces just consequences when violations occur.

FCA's Purpose and Beliefs (continued)

Family Christian Academy, like all schools, adheres to a specific group of standards and requirements for the parents and children enrolled in the program. However, the school also maintains a "cafeteria-style" approach to those events and activities which are considered to be valuable but nonessential.

Application and Enrollment

Application for enrollment in FCA is open to all Christian households which are committed to the Lordship of Jesus Christ and are in agreement with our doctrinal statement, as well as, our procedures, policies and standards. FCA is not racially discriminatory and does not exclude families from enrollment in its program and activities based on race, color, nationality, or ethnic origin. However, because

the school is a religious organization, the Board of Directors does reserve the right to discriminate in areas of religious beliefs and affiliations. Consequently, the school is not obligated to accept those who may not meet admission requirements.

Christian Standards

Family Christian Academy fully endorses the Biblical standards that believe the Bible to be the inspired word of God, not open to argument or debate, but rather to be obeyed. It is therefore the policy of FCA that any family not adhering to Biblical standards in the home will be subject to suspension or expulsion by the Board of Directors. A thorough review by the Board will be necessary before reinstatement may occur.

Requirements

Annual Obligations

1. Re-enrollment: Failure to satisfy outstanding obligations (particularly student progress and attendance reports) by the end of the school term will prevent enrollment in the following term.

2. Transfers: It is the responsibility of parents to keep accounts and records current. No school records will be transferred until all obligations have been resolved.

3. Submit Annual Curriculum list form that lists grade level and publisher of all books used for student's work. Curriculum list must be submitted within 30 days of enrollment.

4. Semi-Annual Reports: It must be stressed that it is very important that students records be kept accurate and up to date. For students transferring out of Family Christian Academy: transfers will be delayed unless a student's file is up to date and all reports are filed and posted. For students transferring in the middle of a semester, semi-annual reports must be turned in up to the day of transfer.

5. FCA Membership Benefits: Benefits become effective upon acceptance of enrollment and are in effect so long as accounts are enrolled, not delinquent, records are up to date, and no disciplinary action has been taken against parents or student. All benefits expire at the close of the school year on June 30th.

6. Schools Previously Attended: It is the responsibility of parents or guardians of students to accurately report all information regarding student's previous educational involvement with authorities: including any suspensions, disciplinary actions, etc., while previously enrolled in any school. Caution-inaccurate information will result in immediate nullification of enrollment and loss of all fees.

7. Benevolence: FCA does have a shared Benevolent Program (50% by your local church and 50% by FCA). Families requiring assistance of any kind may apply for approval. The time required to process is approximately three weeks. It is our policy to verify all benevolence applications with your pastor.

Registrations

Submit the following:

In Tennessee:

- a. Submit the official green Immunization form (see example). May be obtained from your doctor or doctor or County Health Department, or you may sign a statement of Religious Exemption.
- b. Submit blue Tennessee School Entry Medical Examform (see example). This applies to new students coming in from out of state. It may be obtained from your doctor or County Health Department.
- c. Submit copy of student's birth certificate.
- d. Submit FCA Progress and Attendance Reports, as required.
- e. Submit curriculum list.

Other requirements:

- f. Teach the required 180 days of school with a minimum of 4 hours per day.
- g. You have read and in agreement with Family Christian Academy's Statement of Faith and Policy.

Requirements

(continued)

We will submit the transcript request, signed by you, to your prior school. If these items are not in your folder, we require that you furnish this information. It is important that you turn in to your previous school all books and materials belonging to them.

If you are transferring from another school, your folder should have the information listed in a, b, and c OR a, b, and d above. It is assumed that all information submitted by you is truthful and correct, and that you are not under investigation by any type of authority (including truancy cases). Your admission is conditional, pending receipt of the above, and that information submitted is true and accurate.

Registrations-Other States

Some parents have moved out of state and have chosen to remain registered with FCA. For these and various other reasons, our out of state enrollment continues to increase. To meet the need, we have elected to offer FCA's services to parents across the nation irregardless of which state they call home.

To register with FCA from outside the state of Tennessee, use the regular registration form provided in this packet and send it to the closest FCA Boostore listed on the form. In the event that there is an FCA coordinator within your state, you will be placed in contact with them.

1. Submit a copy of birth certificate. Public, private or Christian school transferees need not submit.
2. Submit FCA Progress and Attendance Reports, as required.
3. Teach the required 180 days of school with a minimum of four hours per day.

4. You have read and are in agreement with FCA's Statement of Faith and Policy.

Education laws vary from state to state. Although FCA's high academic and attendance requirements meet or exceed those of most states, it is the responsibility of parents enrolling their children to become informed regarding the education laws in their particular state. In any case, however, FCA supports the right of parents to direct the education of their children and to choose any parent-directed home education program.

Tennessee Tobacco Law

TCA 39-17-1505. Prohibited purchases by minors.-(a) It is unlawful for a person who has not attained eighteen (18) years of age to purchase or accept receipt of a tobacco product, or to present or offer to any person any purported proof of age which is false, fraudulent, or not actually that person's own for the purpose of purchasing or receiving any tobacco product.

Policies

Re-enrollments

FCA members should be re-enrolled by the start of the first school day in your county or September 15, whichever comes first. We encourage parents to register before they start their first day of schooling so that FCA can give credit for all schooling days. We cannot give credit for the days that a student is not enrolled with FCA. Any students who do not re-enroll before September 15 may be considered truant. There will be a \$50.00 penalty in addition to the fees when re-enrolling after September 15th.

Records/Acceptance Policy

FCA students records are kept confidential and will only be released upon receiving a written verified request from the parents or legal guardian of the student. If you would like to preview your child's records, please call your local FCA office to set up an appointment. Upon receiving your completed registration form and transfer request form, FCA will request a transcript of grades from the last school your child attended. Reports, test scores, transcript request, etc., are all handled by us. However, if you have any outstanding obligations to your previous school (books not turned in, fees owed, etc.), it will delay your transcript. This transcript will be kept in the student's cumulative folder. It takes approximately 4 to 6 weeks to receive records from a previous school.

Upon completion of the Enrollment and Transfer Request Forms, you are temporarily accepted and registered in FCA, unless we find discrepancies in the forms you have submitted. If any are found, FCA will notify you at that time. The number of school days start when you enroll. (Example: you start home schooling in July, but do not register with FCA until the following February. The period between July and February will not be taken into account at FCA.)

Family Christian Academy of East Tennessee is a private, not for profit school under the ministry of Berea Baptist Church and is subject to the established standards and by-laws of the church. For this reason, the Board of Family Christian Academy of East Tennessee reserves the right to reject any application for enrollment at any time without formal explanation. Families accepted by Family Christian Academy are subject to the policies as stated in the enrollment packet for continued enrollment after the enrollment application has been accepted.

Requests

For your protection, all your requests, of any nature, must be in writing. Please allow 5-10 business days to process your request.

Transfers to Another School

When transferring to another school or out of state, it is the responsibility of the new school to notify us of this transfer in writing. Student/teacher cards must be returned with the written request, or the transfer will be delayed. Records will be sent directly to the student's new school. Transfer of records takes approximately 2 to 4 weeks. When transferring, we must have all progress and attendance reports on file, or grade placement may be challenged by other schools. Be sure all reports are current. For students transferring in the middle of a semester,

semi-annual reports must be turned in up to the day of transfer. Failure to have submitted current reports will result in a loss of credit.

Requesting Transcript of Grades

Transcripts of grades are provided, upon request, for 9-12th grade. When making a transcript for 12th grade, we will send the parent or guardian two certified copies, one for college application and one for the parents. Request for transcripts in 9-11 grade and extra 12th grade transcripts are \$9.00 each. Copies of student records are available for grades K-8, at \$0.50 per page.

Driver's License Form-SF1010

Driver's License request (Form SF1010) must be in writing; a birth certificate must be on file with us (issued on or after 15th birthday), and the student must have already been enrolled for a minimum of 60 days. Reports must be current. Responses require approximately 7 to 10 business days.

Fee/Refunds

Registration and on-grade standardized achievement testing shall be paid in full at registration, no exceptions. **In the event of a transfer, refunds for the annual achievement testing must be requested in writing and received by our office no later than January 30.** Due to processing expenses, once registration is received we can give no refunds for tuition. We cannot give refunds on pre-registration fees for planned events.

Change of Address

If you move, or change your phone number be sure to send us a change of address card or a letter stating your new address and/or phone number. Do not call. It must be done in writing (you can use the Request Form on pg. 27). If we cannot contact you, you may miss important information or announcements.

Grade Changes

If you would like your students to skip a grade, he/she must first take the achievement test. Based on his/her test results, the student may or may not be promoted. Example: Your seventh grade student would like to be in ninth grade next year. He/She must first take the seventh grade achievement test and then, based upon his/her scores, he/she may be promoted to ninth grade. Requests must be made in writing. Students in high school may not skip grades. Must have minimum SAT stanine of 8.

Credits

In order to clear some confusion, our credit policy for children under high school grades is: if your 7th or 8th grader is taking High School classes in order to receive credit, it must be through a class or co-op. The teacher must write a syllabus of the class and state that it is a high school level class. For our high schoolers taking college level classes, a 3 credit course would be equal to one credit. Send in a copy of your report card from college so we know to identify those classes as college classes. FCA East uses the Carnegie Unit of Measure for credit calculation.

Policies

(continued)

Violations

When compliance with a school requirement would result in a hardship, it is the responsibility of the family to notify the school of the hardship, prior to a violation, in order to work out a solution or an extension. Such violations include, but are not limited to, failure to send in semi-annual reports, delinquent payments, excessive absences, failure to take required achievement test, or unchristian conduct.

Number of Days

Registration is open year round. Our school year begins July 1st and ends June 30th. Family Christian Academy meets or exceeds Tennessee Statutes regarding attendance. Each child is required to attend a minimum of 180 days per year. Although school days must be at least four hours, students are not limited to textbooks or on-site studies. Attendance may be counted for field trips and other family learning activities, such as attendance at FCA-sponsored seminars, visits to historic museums, libraries, etc.

It is the firm conviction of the FCA administration and its Board of Directors that parents will more than fulfill their educational obligations under this agreement; providing they give attention to the directive of the Scriptures: And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up (Deut. 6:7)....the father to the children shall make known thy truth (Is. 38:19).

Semi-Annual Reports

Each family shall be required to submit a semi-annual report summarizing the work of each student on a subject-by-subject basis. The report is provided and shall contain written documentation of the days present and the days absent with a cumulative total of days present to date. The report MUST be submitted by the fifteenth day of the following six month period (January 15th and July 15th) or it will not be posted until the next period. We ask for your cooperation in submitting reports on time. Reports not submitted by the deadline will incur a late fee.

For grades K-8, please fill in either percentage, letter grade, or an "S" for satisfactory or "U" for unsatisfactory. For grades 9-12, please fill in a percentage and credits given. This will help with the accuracy of high school grade point averages and transcripts.

FCA's Grading Scale is as follows:

90-100	A	60-69	D
80-89	B	Below 60	F
70-79	C	S	C

Teacher and Student Cards

These cards will contain the student's ID number and their test location. We will issue one teacher card per family that enrolls by September 15. Each additional or replacement card is \$9.00. When calling FCA, it is imperative that you have your Family ID number available (which will be located on the teacher card), in order for us to offer telephone support. In the event of transfer, suspension or falsified information, cards shall be null and void and are to be returned to FCA.

Dress Code

All students participating in FCA events will be required to conform to our Dress Code. This includes, but is not limited to: NO hats, caps, shorts, tank tops, T-shirts with un-Christian or occult text or pictures, gang-related colors or paraphernalia. One set of earrings, correctly worn, will be accepted for female students. No earrings may be worn by male students. No body-facial piercings. The Dress Code will be subject to the discretion of the FCA representative present. If you are not in compliance with the dress code you may be expelled from the event or possibly the FCA program. FCA reserves the right to search for firearms or tobacco products, at any one of our testing sites or events.

Telephone Support/Office Hours

Due to the number of phone calls received each day and to help us better serve you, we ask that you have your family ID number available (located on your teacher card) when calling. Our Records department is open Monday through Friday 1-5 p.m. Our offices will be closed for the following Holidays: MLK Day, Good Friday, Memorial Day, Independence Day, Labor Day, and Thanksgiving week. Also, we will be closed the second week of December until the first full week of January. Our office will be closed on Fridays from February 1 through May 31.

Legal Considerations

FCA has sought to develop a program which emphasizes credibility and legitimacy in every area. FCA is a member of the Tennessee Association of Church-Related Schools, an agency recognized by the state of Tennessee legislature. FCA is further recognized by the Educational Research Bureau in Princeton, N.J., S.A.T., A.C.T. and Educational Testing Services. Our school code number is 431099. Our HSLDA discount number is 294057.

Because of conflicting public opinion, the inconsistency of the legal statutes, and the fact that organizations like Family Christian Academy, have not been challenged in the courts, it is impossible for Family Christian Academy to insure that families enrolled in its program will never be subjected to legal scrutiny. FCA wants each member to be aware of the legal liability which they may face.

Because of legalities, FCA will not allow immediate enrollment to any family that is currently undergoing scrutiny by state or local entities; however, FCA will consider all applications. We are a Category 4 School registered with the State of Tennessee; however, it does not guarantee that the student will not be tested upon entering another school or college.

Testing

Testing schedules will be available online at our website or by calling your local ARK Center January 30. Parents are responsible for their child attending their test site.

Achievement Testing

- Appraise student's ability to respond correctly to questions measuring his knowledge of concepts and subject matter commonly taught in the grade level being tested.
- Nationally standardized and recognized to meet most transfer or state requirements.
- Deluxe computer-scored results that include a variety of norm- and skill mastery-referenced scores, along with interpretations helps.
- Confidential reports and results.

Achievement Test

Teacher Preparation Seminar

Each year FCA provides a workshop designed to help you understand the testing program and the information gained from the test results, so it will be useful to you in assessing performance and planning for future instructional needs. This seminar material provides detailed information on the achievement test. You will be taught how to interpret test results and their meaning. This is one of the best seminars available to home schoolers. FCA also accepts state certified teachers or test administrators approved by Bob Jones University.

Achievement Tests

Achievement Tests are administered annually through FCA in the spring. Testing schedules will be available online at our website or by calling your local ARK Center after January 30. Any requests to change your test site may incur an additional fee. This test is recognized nationwide and may be considered for grade placement if you find it necessary to place your child back in a public or private school. **Parents are responsible for their child attending their test site.**

Students in the following grades are required to test when registering with FCA: 3, 6, 9, 10, 11, and 12. All other grades are optional at the parents' request.

We are offering several ways to test this year. You may choose from one of the following (see page 22):

- FCA test site locations
- Private FCA Administered
- Bob Jones University (must submit confirmation to FCA)
- Private School
- Religious Exemption (Not testing)

Students wishing to receive a high school diploma through FCA must have taken the achievement test each of the last two years prior to graduation. A score of 21 or

better on the ACT will also be accepted for students in grades 11 or 12.

Students who have met all other graduation requirements and desire to graduate in their junior year must have taken the ACT and earned a score of 24 or better.

Approximate testing time for complete battery: 2 to 3 hrs. a day for 2 days for K to 8th grade; 4 hrs. over 1 day for 9th to 12th grades. The test results provide:

- Scaled, percentile, grade equivalent scores
- Ability/achievement comparison on combination tests
- A narrative explanation of results
- Evaluation of specific academic skills

Testing in Tennessee

Achievement tests are currently given in cities across the state of Tennessee. (See FCA enrollment form for test locations and dates. All sites are subject to availability.) The test will be conducted over a three-day period for students in grades K-8 and a one-day period for students in high school. Students may not test in two grades in one year. Parents are allowed to sit with children in K, 1st, and 2nd grades. We strive to create a comfortable, informal, and friendly atmosphere.

Students may only test in the grade they are registered in. After marking your 1st and 2nd choice on the enrollment form as to which test site you prefer, we will notify you on your student cards at which location you will test. (Sites subject to availability. We reserve the right for final site approval.)

Dress Code

All students participating in FCA events will be required to conform to our Dress Code. This includes, but is not limited to: NO hats, caps, shorts, tank tops, T-shirts with un-Christian or occult text or pictures, gang-related colors or paraphernalia. One set of earrings, correctly worn, will be accepted for female students. No earrings may be worn by male students. No body-facial piercings. The Dress Code will be subject to the discretion of the FCA representative present. If you are not in compliance with the dress code you may be expelled from the event or possibly the FCA program. FCA reserves the right to search for firearms or tobacco products, at any one of our testing sites or events.

Private Testing through FCA

FCA is offering private testing for the Stanford Achievement Test for a fee. Private testing can be done at one of our FCA bookstores. The deadline for private testing registration is January 31st.

What to Bring to the Test

BRING: Two number 2 pencils, five sheets of notebook paper, a ruler, a calculator (for 4th grade and up), and juice, fruit or a snack for children.

- Testing will start promptly at 8:30 each morning (except for the first morning). Call your local ARK Center or check web site to confirm.
- An orientation period will be held the first morning. You must be there 15 minutes before testing.
- On the first day, students will be directed to their classrooms.
- Testing lasts from 9:00 to approximately 12:00 (see test schedule available at orientation).
- Approximate times for each subtest, break times, and finishing times for each grade will be announced at each testing site.
- We are using facilities graciously donated to us. Please take care of the property and be sure to stay within designated areas. Children are allowed in testing rooms, break rooms, and bathrooms only. We have had problems in the past with children littering, turning dials and controls on sound panels, plugging toilets, and tracking mud through the sanctuary.
- Please realize we are witnesses as a Christian School group. Instruct your children to obey all the rules and teachers or they will be expelled from testing (or possibly the FCA program). Parents must be available to supervise their children not being tested and those that finish early.
- Kindergarten, first, and second grade parents are allowed to sit in the room with their children during testing. Parents may make sure the children understand the directions but are prohibited from assisting with test questions. Teachers have been instructed to halt the testing and ask those not in compliance to leave.
- Parents are encouraged to bring juice, fruit, or any other nutritious snack.
- We suggest that you monitor our website for specific information on testing dates and events. (You can access our web site through your local public library.)
- Tobacco use is prohibited at all test sites. Do not bring any type of tobacco products.
- No Student will be permitted to leave the building before testing is over.
- FCA Dress Code will be enforced at all locations.
- If you are not sure of your testing date you must call the records department between January 15th and February 15th to verify. This is the parents responsibility.

Make Ups

If for any reason you can not make it to the testing site assigned to your student, you must arrange for a private teacher through FCA to administer the test. Call your local ARK Center to register for make-up test day. Parents will be responsible for any additional fees this may incur.

If you missed any part of the test, regardless of the test site, necessary make ups must be made by a private teacher through FCA. Parents will be responsible for any additional fees this may incur.

Changing Test Location

If for any reason you need to change your test location, the following fees will apply (no exceptions):

- \$10.00 for any change made before January 1st
- \$15.00 for any change made in January to February 15th
- No Changes after February 15th

Achievement Test Results

You will be notified at your test site and by our FCA online newsletter as to the pick up locations.

Refunds

Refunds for standard achievement testing must be requested before January 30. After January 30th no refunds will be given for testing.

GED Information

Must be a current member with a minimum 6 months enrollment. By written request only. All reports must be correct and up to date.

Questions & Answers:

Can parents administer these tests to their own children?

To administer a test, a parent or another close family member may administer these tests to his or her relatives under the following conditions: (1) He or she is a qualified administrator, and (2) two or more non-family members are being tested along with each group of the family's children. (In K5-grade 3 the non-family members must be the same level since the test directions will be dictated). Both conditions must be met in order for a parent or family member to administer tests.

Can the achievement scores be used to determine what curriculum level to use?

No, for this is not the primary purpose of an achievement test. Achievement test scores can be applied as an indicator of possible weak academic skills that need work. Couple test results with your own (or previous teacher's) observations to determine how your student handled the curriculum level used during previous study. Though they are helpful tools, test results should never be used as the sole determinant for any curriculum decision.

What grades (test levels) may be tested simultaneously?

Kindergarten and grades 1 through 4 (Primary, 1, 2, 3, and Intermediate 1) tests must each be administered independently. Grades 5, 6 (Intermediate 2, 3) can be administered simultaneously with minor adjustments (Listening Test). Grades 7 and 8 (Advanced 1, 2) can be administered together. Grades 9 through 12 (Task 1, 2, 3) may be administered together.

Diploma Request and Evaluation Procedure

Congratulations on your student's completion of High School. We are blessed to have been a part of supporting you in home education.

A. The following student is enrolled in our educational program. This is not a home school program.
B. Family Christian Academy was founded in 1988 and is listed with the Tennessee Department of Education as a Category IV: Church-Related School. Our program is entirely operated under the provisions of TCA Tennessee Code Section 49-50-801. Students enrolled in our program are not required to register as a "home schooler" with the local superintendent of schools. Our status and operational distinctions were most recently confirmed as complying with the Tennessee educational standard in a memo dated Feb. 18, 1999 from Commissioner Jane Walters to all superintendents.

RE: Current Status of the Law on Church-Related Schools (Satellite) and Home Schools in Tennessee

Parents in Tennessee can provide instruction at home through a church-related school as defined by Section 49-50-801 in the Tennessee Code Annotated. There has been some confusion in this matter causing school districts to illegally declare children truant when their parents have chosen this option. Many of these schools are referred to as "Satellite Programs."

Enclosed is a document, which explains the current status of the law. If you have any questions, please contact the department legal counsel, Kaye Jeter at (615)741-2921.

RE: Current Status of the Law on Church-Related Schools (Satellite) and Home Schools in Tennessee. After meeting, discussing and reviewing the issue of church-related schools and home schools with several home school attorneys, staff personnel, and attendance officers, the following is a summary of the current law: May parents comply with the Tennessee compulsory attendance law by having their children attend a church-related school as defined by Section 49-50-801 of the Tennessee Code Annotated while the instruction is being provided in the home with the parent as the primary teacher? This question has never been addressed by the Tennessee courts, but in our opinion the statutory language indicates a response in the affirmative.

Most parents who teach their children at home do so under the home school provisions of Section 49-6-3050. According to Section 49-6-3050, a home school is defined as a "school conducted by parent(s) or legal guardian(s) for their own children." Home schools are divided into two categories under the law: (1) those associated with a church-related school and (2) those that are not. A home school associated with a church-related school is exempt from the requirements imposed on other home schools. However, students in grades nine through 12 in home schools associated with a church-related school must register with the local education agency (LEA) and take standardized achievement test used by the local school district and approved by the State Board of Education.

Parents also have the option of having their children attend a church-related school. This is not home schooling, because the church-related school is not being conducted by parents or legal guardians for their own children. This school is being operated by a denominational, parochial, or other bona fide church organization as required by Section 49-50-801. Under this option there is no need to comply with any of the home school provisions of Section 49-6-3050.

In order to have children attend a church-related school while being taught at home by their parents, the home will have to be designated as a classroom or extension of the church-related school. The parent will have to be considered a faculty member of the church-related school under the direct supervision of its administration. Such an arrangement should have other characteristics which distinguish it from a home school associated with a church-related school, although there are no particular legal requirements as such. Following are examples of such characteristics which would likely be considered by the courts in scrutinizing this education option. The parents should have the same accountability to those in authority at the church-related school as any other teachers at the main campus or location of the school. The curriculum and schedule of instruction should be approved by the church-related school. There should be centralized record keeping, attendance reporting, and academic evaluation. Organized activities of the church-related school such as field trips, sports, and band, as well as group instruction in such subjects as music and art are all factors which further indicate that this is not just a home school program. Merely associating with a church-related school as described in Section 49-6-3050 as a home schooling option is insufficient. The relationship must be such that the school is being operated by denominational, parochial, or bona fide church organization described in Section 49-50-801, not being conducted by the parent as described in Section 49-6-3050. There is no requirement that the main campus of the church-related school be located in the same city as the home where the extension program is being conducted.

An important element of this approach is the fact that under Section 49-50-801, the church-related school must meet the standards of accreditation or membership of the Tennessee Association of Christian Schools, the Association of Christian Schools International, the Tennessee Association of Independent Schools, the Southern Association of Colleges and Schools, the Tennessee Association of Non-Public Academic Schools, the Tennessee Association of Church Related Schools, or a school affiliated with Accelerated Christian Education, Inc. If the church-related school is unable to meet these standards of accreditation or membership in the named associations, then the school is not a church-related school as defined in the statute. Accordingly, parents who are contemplating this approach should first insure that the school will meet the accreditation or membership requirements of Section 49-50-801 in order to be defined as a church-related school. Note that either being accredited by or being a member of one of these associations is sufficient according to the language of this statute. Some of these associations may not have memberships but may only accredit schools.

In summary, children attending a church-related school through its satellite or extension program in their home and being taught by a parent who is a faculty member of the school are in compliance with Tennessee's compulsory attendance law. In order for this to be recognized as a legitimate educational option, the characteristics of the relationship between the parents and the church related school should indicate that the school is being operated by the religious organization, not by the parent. This church-related school option does not change the home school law.

Parents electing to conduct a home school associated with a church-related school or to have their children attend a church-related school should follow normal withdrawal procedures during the school year if their children are enrolled in public school. For children enrolled in public school the previous year, the LEA may request information on their current placement. Parents whose children have not been enrolled in public school are not required by law to provide notice to the LEA of their decision to choose one of these options. Public school officials who have reason to believe that a child may not be in compliance with the compulsory attendance law should make inquiry of the parent or guardian to determine what educational option has been chosen. If advised by the parent either that a home school is being conducted in association with a church-related school or that the child is attending a church-related school through its extension program, this information may be verified by contacting the church-related school. In such an inquiry the church-related school may be asked to provide the name of the denominational, parochial, or other bona fide church organization operating the school, so that this may be verified as well. There should be no need for further inquiry.

Steps to Begin Home Education

1. Pray

2. Enroll

Complete and fill in all the blank lines on the application form included.

3. Withdraw

Notify your present school that you have enrolled your child(ren) with Family Christian Academy. Ask for your child's transcript. Be sure all books and materials that belong to the school you are transferring from have been returned. They will receive notice from us within a few days. Do not tell school officials that you are home schooling, as you are not (see Jeter Memo Page 26). They simply need to know that you have transferred your child(ren) to a Tennessee Church-Related School. If all your books and school properties have been returned, you may wish to have Family Christian Academy contact your previous school.

4. Materials

Purchase your materials depending on your budget. You do not have to purchase all the materials you need at the same time. you may come by an FCA Bookstore and select your materials to purchase on your own or call for an appointment to be assisted by an FCA curriculum consultant. A charge may apply depending on what Registration Plan you have chosen.

5. Scheduling

School 180 days 4 hours per day.

6. Record Keeping

Report grades by deadlines.
